## \*<u>Demolition Authorization</u> – 117 E. Exchange Street

City Manager Henne noted that this motion would affirm the Historic District Commission's recommendation to demolish the building, including the façade, and accept grant funding of \$178,000 for said demolition.

Motion by Councilmember Olson to approve the HDC's revised recommendation regarding the façade at 117 E. Exchange Street and authorize demolition and full site clearance at the location as follows:

## **RESOLUTION NO. 74-2025**

This resolution was rescinded by Council June 16, 2025 due to an error in the property address.

### AUTHORIZING APPROVAL OF THE OWOSSO HISTORIC DISTRICT COMMISSION RECOMMENDATION REGARDING SITE CLEANUP AT 117 EAST EXCHANGE STREET

WHEREAS, the City of Owosso has been working in collaboration with the Shiawassee County Land Bank and the Michigan State Land Bank to secure a blight elimination grant for the property located at 117 East Exchange Street; and

WHEREAS, the Owosso Historic District Commission (HDC) initially expressed interest in preserving the historic façade of the structure but, upon further review and in consideration of federal and state land bank funding eligibility criteria, determined that preservation of the façade would render the project ineligible for grant funding; and

WHEREAS, at its regular meeting on May 21, 2025, the HDC voted unanimously to rescind its previous recommendation to preserve the façade and instead recommended that the City Council accept the terms of the grant and authorize complete site clearance; and

WHEREAS, the City Council finds that proceeding with site cleanup in accordance with land bank requirements is in the best interest of public health, safety, and welfare, and supports future redevelopment of the site.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Owosso, Shiawassee County, Michigan that:

- FIRST: the recommendation of the Owosso Historic District Commission to rescind the requirement to preserve the façade of the structure at 117 East Exchange Street is hereby accepted.
- SECOND: the City Council authorizes the acceptance of blight elimination grant funding from the Michigan State Land Bank and Shiawassee County Land Bank for the purpose of clearing the site at 117 East Exchange Street.

Motion supported by Councilmember Owens.

Roll Call Vote.

AYES: Councilmembers Owens, Fear, Ludington, Olson, Mayor Pro-Tem Haber, Councilmember Osmer, and Mayor Teich.

NAYS: None.

## **CITIZEN COMMENTS**

Tom Manke, 2910 W. M-21, said it was disturbing that the City waited until they were under a court order to tear down the building at 117 E. Exchange Street. He also noted that there is a grass-roots effort across the country to celebrate June as veterans' month and there is a new donut shop in Westown.

## COUNCIL COMMENTS

Councilmember Olson said that at the MML Conference it was suggested that the City develop a resource for Council and staff to have City of Owosso apparel, indicating their affiliation with the City for use during public events. She distributed several iron-on insignias that she had designed for Council and staff.

Councilmember Osmer announced that the summer concert series at the amphitheater is back. Five concerts will be held between July 10 and August 7, with each concert hosted by one of our local non-profit organizations. She went on to thank the Cook Family Foundation, the Lebowsky Center, the Masons, and the City for their efforts in organizing these events.

# **CITY MANAGER REPORT**

## **COMMUNICATIONS**

<u>Brad A. Barrett, Finance Director</u>. Financial Report – April 2025. <u>Planning Commission</u>. Minutes of April 28, 2025. <u>Historical Commission</u>. Minutes of May 12, 2025. <u>Historic District Commission</u>. Minutes of May 21, 2025. <u>Scott J. Gould, City Attorney</u>. Memorandum regarding Water Bill Assistance Programs. (This item was added to the agenda.) <u>Nathan R. Henne, City Manager</u>. Memorandum regarding monthly water billing and shut-off elimination guidance. (This item was added to the agenda.) The Council discussed the two additional Communications regarding a potential donation fund to help residents with water bills. City Attorney Scott J. Gould confirmed the City could legally establish such a fund. However, City Manager Henne raised concerns about staffing, costs, and legal and operational complexities. There was debate over whether to remove income requirements to ease administration, though this could enter a legal gray area. Mayor Teich noted that MDHHS already offers income-based utility assistance and suggested lower-cost alternatives like covering credit card fees or placing unpaid bills on property taxes instead of shutoffs. Councilmember Ludington raised concerns about landlords being left with unpaid bills if shut-offs end. Councilmember Osmer requested a formal proposal to eliminate water shut-offs, while Councilmember Olson worried about losing the chance to implement monthly billing.

Motion by Councilmember Osmer directing staff to create a formal plan to eliminate water shutoffs while maintaining water shut-off notices, moving to place unpaid water bills on taxes twice per year, and keeping the utilities deposit unchanged, for discussion at the next meeting.

Motion supported by Councilmember Olson.

Roll Call Vote.

AYES: Councilmembers Owens, Olson, Ludington, Mayor Pro-Tem Haber, Councilmembers Fear, Osmer, and Mayor Teich.

NAYS: None.
