

Engineering Aide (Part-time)

The City of Owosso is seeking a qualified candidate for a part-time **Engineering Aide** position. This position averages 20-25 hours per week, Monday through Friday, with a flexible schedule.

This is a sub-professional, technical position involving moderately complex office and field activities related to civil engineering. Responsibilities include, but are not limited to, data collection, report preparation, construction cost estimating, and inspection of construction projects.

Minimum Qualifications:

- High school diploma or GED required
- Two years of college coursework in civil engineering or related field preferred.

Compensation:

- \$20.00 per hour.

A full job description is available on the City's website:

<https://www.ci.owosso.mi.us/Departments-Services/Human-Resources>.

Application Process:

Interested candidates should submit a cover letter and resume to:

City of Owosso
Human Resources
301 W. Main St.
Owosso, MI 48867;

Applications may also be mailed to: hr@ci.owosso.mi.us.

This position is open until filled.

The City of Owosso is an Equal Opportunity Employer (M/F/D/V).
