

MEMORANDUM

301 W. MAIN ▪ OWOSSO, MICHIGAN 48867-2958 ▪ WWW.CI.OWOSSO.MI.US

DATE: November 4, 2024
TO: Owosso City Council
FROM: Clayton Wehner, Director of Engineering
SUBJECT: Setting Public Hearing for Special Assessment Roll for Lynn Street Resurfacing

RECOMMENDATION:

City staff recommends approval of Resolution No. 4 which sets the second public hearing for the Lynn Street Resurfacing Project.

BACKGROUND:

This public hearing is intended to provide affected residents with the opportunity to comment regarding their individual assessments.

As you will recall, Step Four/Resolution No. 4 takes place after the bids are received. Estimated assessment amounts are adjusted if necessary to reflect the actual cost as dictated by the bids received. A second public hearing is set to allow property owners to comment on their particular assessment. Each property owner is sent a second notice containing the date and time of the public hearing and the amount of the proposed assessment for their property.

Step Five/Resolution No. 5 documents the second public hearing, finalizes the special assessment roll and sets the terms of payment. This public hearing is designed to allow affected citizens the opportunity to argue whether or not the amount of their assessment is fair and equitable in relation to the benefit they receive from the project. If, after hearing citizen comment, the council decides adjustments need to be made to the assessment roll they may do so. Alternately, if it is felt all the assessments are fair and equitable the resolution may be passed as written.

Tonight the council will be considering Resolution No. 4 for the proposed district as a part of the Consent Agenda. Staff recommends authorization of Resolution No. 4 setting a public hearing for Monday, November 18, 2024 to receive citizen comment regarding the proposed special assessment roll for the following public improvement:

**Special Assessment District No. 2025-02
Lynn Street, a Public Street, from the west end to Howell Street**

for the following work:

STREET RESURFACING: WIDEN, CRUSH, SHAPE AND COMPACT EXISTING ASPHALT AND OVERLAY WITH NEW ASPHALT; GRAVEL SHOULDERS.
