LOCAL STATE OF EMERGENCY

Due to deteriorating winter weather conditions Mayor Christopher T. Eveleth has declared a Local State of Emergency for the City of Owosso, Michigan from 1:00 p.m. Wednesday, February 2, 2022 until 5:00 p.m. Friday, February 4, 2022.

During these times, the City is instructing residents to remove parked vehicles from streets and refrain from parking along street curbs so road crews can effectively clear snow from streets. Residents without a place to park vehicles may use City parking lots without penalty during the duration of the state of emergency.
